

# TLF Overseas Brexit

October 29th 2020

---

# French Border: BCP for Live animals

+ airports with BCP (*Border Control Post*)

→ For live animals from Republic of Ireland under T2 crossing the Landbridge, any port will be allowed but a document check will be organised to control the Irish origin

# Wooden pallets and packaging

- ✓ **All wooden products will have to comply with IPPC rules.**
- ✓ **Controls will be organised**

# Smart Border simplification

**Agile Border Pass:** a new option to ease crossing via Eurotunnel  
Companies will be able to access to their bookings and add

## **FR to UK:**

- MRNs for French customs  
and or logistics envelope MRN
- GMR for HMRC

## **UK to FR:**

- MRN's
- DSCE for SPS goods
- GMR

The driver will use it's Agile Border Pass at Pit Stop
